Strecke nach Ajuda z.Z. wegen Bauarbeiten gesperrt
Linie 18 verkehrt Cais do Sodré - Belem
Route to Ajuda is temporary out of service
Route 18 runs from Cais do Sodré - Belem

The main map displays the tram network of Lisbon, with routes 12E, 15E, 18E, 24E, 25E, and 28E. Key locations include Ajuda (Cemitério), Belem, Santo Amaro, and various districts like Graça and Estação Santa Apolónia. The map also shows the Rio Tejo and the Ponte 25. Abril.

Algés map

The inset map shows the tram route 15E in Algés, including the station Cruz Quebrada and the area around Rua Damião de Góis. A note indicates that the route is not in service at present but is planned for reactivation.
